Routledge Handbook of Contemporary Vietnam Jonathan D. London,2022-07-29 The Routledge Handbook of Contemporary Vietnam is a comprehensive resource exploring social, political, economic, and cultural aspects of Vietnam, one of contemporary Asia's most dynamic but least understood countries. Following an introduction that highlights major changes that have unfolded in Vietnam over the past three decades, the volume is organized into four thematic parts: Politics and Society Economy and Society Social Life and Institutions Cultures in Motion Part I addresses key aspects of Vietnam's politics, from the role of the Communist Party of Vietnam in shaping the country's institutional evolution, to continuity and change in patterns of socio-political organization, political expression, state repression, diplomatic relations, and human rights. Part II assesses the transformation of Vietnam's economy, addressing patterns of economic growth, investment and trade, the role of the state in the economy, and other economic aspects of social life. Parts III and IV examine developments across a variety of social and cultural fields through chapters on themes including welfare, inequality, social policy, urbanization, the environment and society, gender, ethnicity, the family, cuisine, art, mass media, and the politics of remembrance. Featuring 38 essays by leading Vietnam scholars from around the world, this book provides a cutting-edge analysis of Vietnam's transformation and changing engagement with the world. It is an invaluable interdisciplinary reference work that will be of interest to students and academics of Southeast Asian studies, as well as policymakers, analysts, and anyone wishing to learn more about contemporary Vietnam.

The Soldier's Journal Wandy Ortega, 2004-05 This book was designed to help the professional soldier keep track of important dates and events throughout his/her military career. It will help you and your leaders recall important events, achievements, additional duties and assignments that should be considered when writing your Noncommissioned Officer Evaluation Report (NCOER), Officer Evaluation Report (OER) or End-of-Month Counseling (which ever applies). This book will also help you recall dates and training events in more detail, and it may also help you prevent duplication of training when records have been lost or are unavailable. Plus, upon retirement or separation from military service, if you have been faithful in keeping this book always updated, you will find that it will be a lot easier for you to build a solid resume using this book as a reference than just relying on your memory alone.
